The new approach to integrate end of life services to support people at the final stages of life.

Integration for Better Care

West Leicestershire
Clinical Commissioning Group

Conference // Exhibition and Annual General Meeting

Monday 11 September 2017 from 5pm

Conference – Integration for better care (cont...)

Integrated urgent and emergency care services

Led by Tamsin Hooton, Director of Urgent and Emergency Care for Leicester, Leicestershire and Rutland, Rob Haines, Head of Operations DHU CIC, Dr Annapurna Rao, Chair North Charnwood Federation and Julia Eames, Strategic Planning & Commissioning Officer - Adults & Communities, Leicestershire County Council.

Building on last year's presentation we will show how coordinating support for urgent and immediate health care needs is helping people to get the right care at the right time and in the right place. Through real experiences we will show how services are co-ordinated around the needs of the patient.

Integrated Locality Teams

Led by Angela Bright, Chief Operating Officer, West Leicestershire CCG, Dr Darren Jackson, Clinical Lead Hinckley and Bosworth Medical Alliance and Annette Wagg, Service Manager – Older Adults Hinckley, Leicestershire County Council.

Integrated locality teams are at the early stages of implementation but this session explores how we are implementing better care and support for patients and families.

8.35pm – 8.45pm
