
Information Governance Practice Support

May 2018

Practice Level Support

- NHS England currently have the responsibility to commission Information Governance (IG) support for practices
- The provision provided by AGEM CSU to practices has now ceased
- From 1st April 2018 this is now provided by NHS England's, Midlands & East Regional IG Team and the support package includes:-
 - Data Security & Protection (DSP) Toolkit (was IGTK) advice and signposting
 - Access to policy and procedure templates
 - Access to a knowledge base
 - IG training – access to NHS Digital IG training, road shows, regional workshops
 - Incident Management – support, advice and signposting
 - Newsletter – including national / regional IG developments, lessons learnt from incidents, General Data Protection Regulation (GDPR) / DSP updates
- Practices can contact them by email england.cmgpig@nhs.net or telephone 0113 824 9179

Additional Support Offered

In addition to and to supplement NHS England's IG support offer the following training has been made available:-

- The learning and development team on behalf of the 3 CCGs made available three training sessions on GDPR (2 x 27th April & 1 x 2nd May 2018)
- In WL CCG we provided a GDPR workshop at the February 2018 learning event
- The LMC provided an evening training session on the 11th April 2018
